WHY YOU NEED ZENVITA HERBAL DRINK

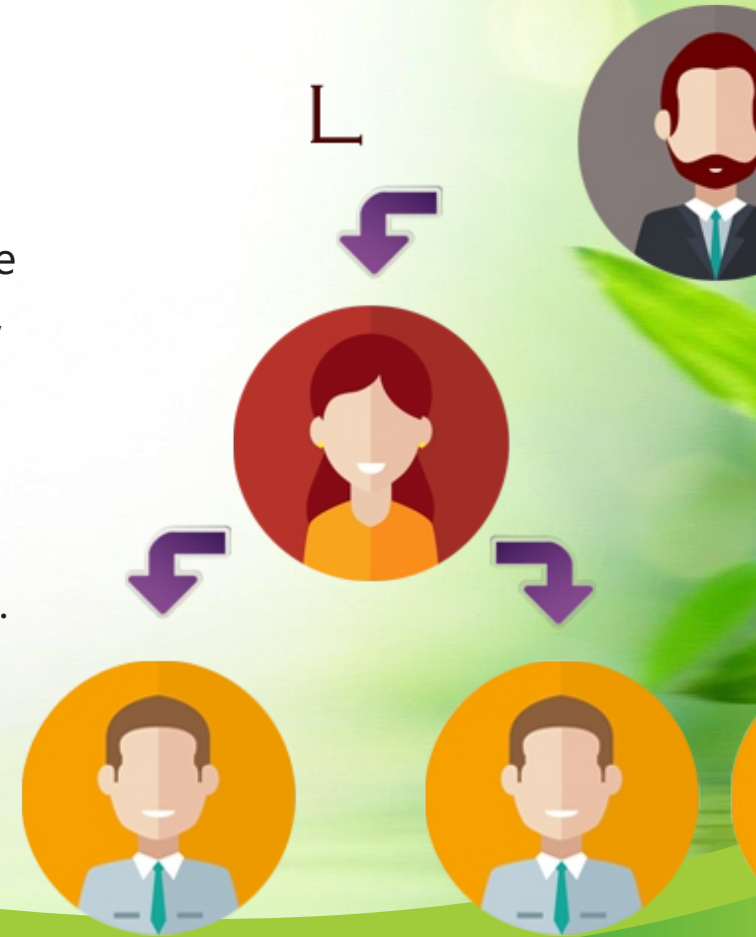

The Zenvita Distributorship Program

Our network is designed to give you more ways to win. We've combined both binary and multi-level rewards, so every effort you put in brings greater returns.

As your team grows on both the left and right sides, you'll earn Business Volume (BV) from every new sign-up. Once the points on your weaker leg match those on your stronger leg, you unlock a binary bonus, with the payout depending on your membership package.

And here's the exciting part—those points don't just stop with you. They also flow upward, rewarding your uplines too. That means everyone benefits as the team expands. With Zenvita Herbal, success is truly a shared journey.

20% Retail Profit

As a distributor, you get to enjoy 20% profit on every sale. It's simple—you buy products at the special distributor price and sell them at the retail price.

For example, if you buy a product for N15,000 and sell it for 18,000, that's an easy N3,000 profit straight into your pocket.

It's a quick and steady way to make extra cash just by sharing products you already love.

Direct Referral Bonus

Whenever you invite someone to join, the company rewards you with a referral bonus of up to 30% of their signup package PV.

It's an easy way to earn just by helping the network grow—and the best part is, your bonus is paid instantly into your wallet, ready for withdrawal.

It's your direct reward for sharing Zenvita.

Indirect Referral Bonus

With Zenvita Herbal, you earn a referral bonus every time you personally bring in a new member. But it gets even better—you also enjoy an Indirect Referral Bonus of 5% whenever your downlines sign up new members.

These indirect bonuses flow from your 2nd up to your 6th generation downlines, with your earnings depending on the level of each new signup.

It's a powerful way to keep making money as your team continues to grow!

Direct Upgrade Bonus

Whenever someone you've sponsored upgrades to a higher package, you earn an Upgrade Bonus.

All they need to do is pay the difference between their current package and the new one—and as their sponsor, you get 30% of that upgrade fee as your bonus.

It's that simple. Every upgrade in your team is another exciting chance to boost your earnings!

Indirect Upgrade Bonus

The Indirect Upgrade Bonus works just like the Indirect Referral Bonus—only this time, it's earned when someone in your team upgrades to a higher package.

When the upgrade happens, the rewards don't stop with the direct sponsor. Up to 5% of the upgrade amount is shared among the 2nd to 6th generation uplines, giving you another smart way to earn as your team grows and levels up.

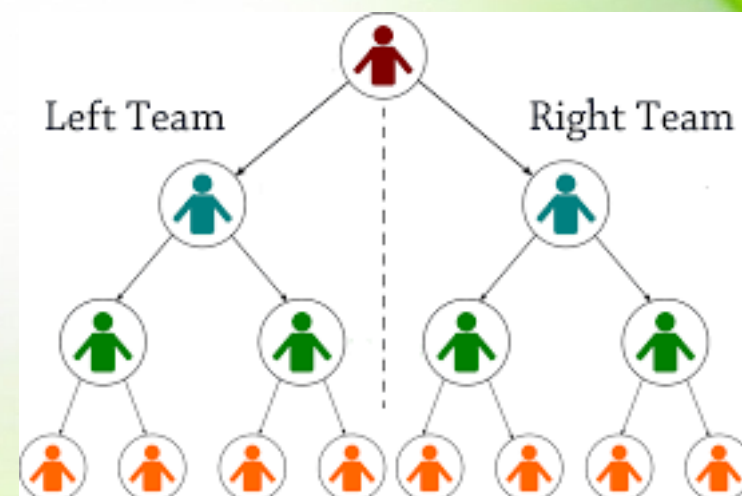

Matching Bonus

In our system, every member has two legs— left and right. As your team grows, each side starts collecting points (PV) from the activities happening there.

Your left team's efforts add to your left PV, while your right team's efforts add to your right PV. Your role is to build and support both sides by bringing in new members and helping your team succeed.

Here's the exciting part: you earn a matching (binary) bonus based on the PV from your weaker leg—the side with fewer points. The exact bonus depends on your membership package.

The more active and balanced your two legs are, the bigger your earnings become!

Matching Demonstrated

Minimum PV required for matching on the lesser leg is 60PV

1. Before matching, you have **1,020PV** on your right leg

2. After matching, the both legs are reduced by the matched points value.

(N2,160 x 17 MATCHINGS)

Repurchase Bonus

Every time you buy a product again, you instantly get a 20% repurchase bonus straight into your wallet—and yes, you can withdraw it right away.

And here's the sweet part—when your downlines (from your 1st up to 10th generation) make their own repurchases, you also get an extra 1% to 4% bonus, depending on your package.

Leadership Bonus

At Zenvita Herbal, we celebrate teamwork. That's why we give a Leadership Bonus whenever a member qualifies for an award.

Here's the deal: 3% of the total award value is shared among that member's two generations of uplines.

It's our way of saying "thank you" to the leaders who guide, support, and help their teams grow—because we know every success story has a strong sponsor behind it.

Stockist Referral Bonus

Think of stockists as mini branches of the company, set up in different states to make product distribution faster and easier for everyone.

When one of your downlines signs up as a stockist, you earn a Stockist Referral Bonus—that's 5% of their signup fee, paid instantly as a thank-you for helping expand our reach.

It's a simple way to boost your earnings while creating stronger access points across the country!

Mini Stockist (N1,500,000)	Earn: N75,000
Super Stockist (N3,000,000)	Earn: N150,000
Elite Stockist (N7,500,000)	Earn: N375,000
Crown Stockist (N30,000,000)	Earn: N1,500,000

www.zenvitaherbal.com

Stockist Commissions

As stockists help get products out to customers, they also earn instant commissions—the amount depends on the stockist package they chose.

Although these commissions show up right away, withdrawals are processed monthly.

The more products a stockist moves, the more they earn! It's a rewarding way to support distribution while building steady income on the side.

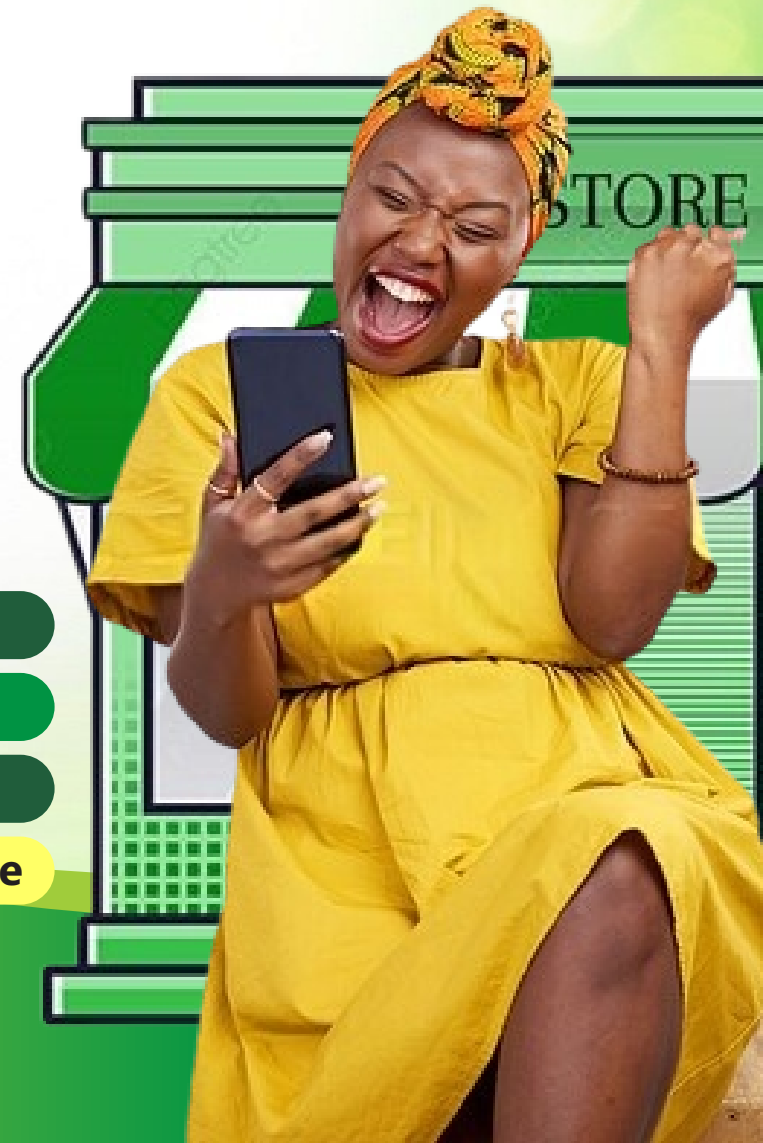

Mini Stockist (N1,500,000) Earns: **2% per bottle**

Super Stockist (N3,000,000) Earns: **3% per bottle**

Elite Stockist (N7,500,000) Earns: **4% per bottle**

Crown Stockist (N30,000,000) Earns: **4.8% per bottle**
